Student/Educator Discount Program

Pottery Equipment & Supplies

Offered by HandsNClay Pottery & Ceramic Equipment
Authorized Brent/American Art Dealer

We believe it is important to nurture the creative abilities of our young (and adult) students and educators, keeping the arts alive and flourishing for the next generation and beyond.

As students and instructors of pottery and ceramic arts, we know that having a wheel or kiln of your own is the most valuable asset in mastering and honing your craft.

Our **Student/Educator Discount Program** offers students and teachers like you the most cost effective way to purchase top quality potter's wheels, kilns, and equipment of your own. We remember how difficult it was to get started in pottery when we were younger. Quality equipment can be very costly, especially for an aspiring artist, crafter, or hobbyist. Hopefully, our program will help to relieve some of the financial burden for those interested in the visual arts.

Who is eligible for the Student/Educator Discount Program?

- ? currently enrolled students
- ? Teachers, teacher's assistants, etc.
- ? Immediate relatives of teachers or students
- ? **You!**

What is the discount?

- ? We sell select products at **highly reduced** prices, slightly above our cost.

Simply email us at info@handsnclay.com or call us at 260-402-1067 to discuss your needs. We will be glad to provide you with a wheel or kiln at the best possible price!
